

Memory Verse Contest

2007-2008

Attention all children ages 9-12 and 13-16!

You memorize spelling words and facts for school; how about you join other Apostolic Christian Church children across the US and Canada in memorizing important Bible verses?

There is no better thing to memorize; it will be a treasure hidden inside of your heart. You can practice with your friends at church and with your family at home.

To make it fun there even will be prizes for the boys and girls who manage to memorize the most verses with the least amount of mistakes. But don't do it for the prizes, do it to learn about the One who made you and gave these words for you to learn about Him.

All you have to do is: Ask _____ who is your Sunday School Superintendent for your *List of Bible Verses*. Or ask your parents if you may go online to get the list at www.icfg.org
Then memorize, memorize, memorize! Your SS Superintendent should pick a day when you and your friends need to recite all the verses you can remember to him. He should fill out your score and mail it so that it arrives before (not postmarked) April 25, 2008. (Sorry, no exceptions)
Email any questions to Sis. Tina Toth (San Diego) apraisechorus@hotmail.com
