Japanese Homestay Program
Share Christ. Share your Home. Share His Love.

Why Japan?
- One of the largest unreached people groups in the world
- Majority of Japanese wonder why they exist
- 0.5% of Japanese consider themselves evangelical Christians

What is a homestay?
A common way for Japanese people who have a desire to learn more about western culture and how to better speak English is for them to study or work for a period of time, typically a month or two, through a homestay experience.

The host family is responsible for providing a room for sleeping and meals for the guest. As a small compensation, the Japanese guest will be asked to pay around 50.00 US (68.00 CN) per week. The host family is further encouraged to consider the Japanese guest as a part of the family as much as possible, by including them in activities as well as inviting them to come to church and youth group.

What can you do?
- Pray for Japan and the Japanese Church
- Host a Japanese homestay
- Be involved in the lives of the Japanese who will potentially visit your church

Goals:
Draw people to Christ
Hosting creates a unique opportunity for a homestay to see Jesus’ love up close and personal while creating opportunities for the host to share the Gospel. -1 John 3:18

Growth in Christ
The homestay may already have begun their relationship with Christ and hosting is great way for them to spend time and learn from a Christian family. By hosting, you can learn and understand more about the Church throughout the world and how God is working. Many long-term friendships have been created through the hosting experience. -Hebrews 13:16

Promoting the Japanese Church and Missions
There is 1 missionary per 56,000 people in Japan, a staggering statistic. Hosting is a unique opportunity to learn about Japanese culture while providing a direct opportunity to reach the Japanese people for Christ. -Psalm 96:3
